

SIMPLIFY YOUR LIFE. TO CHANGE A LIFE.

DEAR SIMPLICITY PARTNER!

In 2013 I rode my bike around Australia and raised funds through people simplifying their lives for the time period I was on my bike. In 2018 we are doing it again! Different continent but the same challenge. We want 1000 people to raise over \$100,000 for children living in extreme poverty, not through conventional donations (though we will accept them) but through people engaging in the act of simplifying their lives in order to be generous with what they save. I think we all have too much stuff, eat more than we need, gamble more than we have or buy more than we can afford.
